

INDIAN INSTITUTE OF TECHNOLOGY DELHI

SEMESTER 2, 2021-2022**Minor Test / Evaluation Schedule for courses OTHER than UG First-year courses**

Date: 01/02/2022

1. Use 'Find' (Ctrl+F) in your pdf reader to locate your course. If you couldn't find your course on the list, just follow the schedule for your course slot to conduct the examination.
2. Students are advised to check the exam schedule one day before the exam for any change in schedule.
3. Wherever more than one course is allotted a single room, the odd rows (1,3,5 etc.) of seats would be used by the first course and even rows (2,4,6 etc.) by the second course to prevent students of the same course from sitting one behind another. In each row, alternate seats would be used by students of the same course, with alternate seats left vacant. Faculty invigilating the examination may make additional adjustments as deemed fit.
4. As per the Senate decision (216th meeting), the exam in the classroom is mandated for the students who are on-boarded in the hostels (present in the hostels on or after January 18, 2022). The detailed room allotment chart is given for the courses where students are on-boarded in the hostel. Since this is still in online mode, only the end time of the evaluation of any course offered in a specific slot is mentioned.
5. Kindly note that the end time for a slot includes any buffer time kept for (online) submission of answers after the end of the examination. For example, for slot F on 14 February 2022 (Monday), the submission time should end on or before 12:00 PM. So, if 20 minutes are kept as buffer time for submission after the exam, then the exam should end by 11:40 AM.
6. The evaluation schedule for the courses offered in other slots, not included in the table below, will be announced by the concerned Course Coordinator as required. Any overlap should be avoided while scheduling the exam.
